

Jerry Fike, one of the founding members of the Flying Knueppel Basketball Club, sent back some pictures from his trip to Havana, Cuba. He was there with two high school football teams from California, who played an early season game there.

Thanks to Jerry Fike from Miss Elizabeth's Fan Club (Macker Hall of Fame – 1998) for sharing these great pictures from Cuba with us. The FKB shirts are making it around the world.

For all of you FKB members out there who have t-shirts, we'd love to add your travels to our web site. Take pictures in your FKB gear and contact us.
